"THERE ARE NO  
Wings  
ON A FOXHOLE"

Irving Berlin

## THERE ARE NO WINGS ON A FOXHOLE

(DEDICATED TO THE MEN OF THE INFANTRY)

Irving Berlin

There are no wings on a foxhole,  
If it's where you should happen to be  
While the shells are flying.  
It's doing or dying  
For the men of the infantry  
There are no wheels on your tootsies,  
When you march from night 'till the  
dawn.

Twenty miles of hiking  
Is not to your liking  
But the foot soldier marches on  
From the night 'till the dawn  
The foot soldier marches on  
There's a sharp end on your rifle  
When you're close to your enemy  
At that close up meeting  
There is no retreating  
For the men of the infantry.

## THE TROLLEY SONG

(From the M-G-M Picture "Meet Me in St. Louis")  
Hugh Martin Ralph Blane

With my high starched collar and my  
high topped shoes and my hair piled  
high upon my head,  
I went to lose a jolly hour on the trolley  
and lost my heart instead  
With his light brown derby and his  
bright green tie,

He was quite the handsomest of men,  
I started to yen, so I counted to ten,  
And then I counted to ten again.  
"Clang, clang, clang," went the trolley,  
"Ding, ding, ding," went the bell,  
"Zing, zing, zing," went my heartstrings,  
For the moment I saw him I fell.  
"Chug, chug, chug," went the motor,  
"Bump, bump, bump," went the brake,  
"Thump, thump, thump," went my  
heartstrings,

When he smiled, I could feel the car  
shake.

He tipped his hat, and took a seat  
He said he hoped he hadn't stepped upon  
my feet.

He asked my name, I held my breath,  
I couldn't speak because he scared me  
half to death.

"Buzz, buzz, buzz," went the buzzer,  
"Plop, plop, plop," went the wheels,  
"Stop, stop, stop," went my heartstrings,  
As he started to go, then I started to know  
how it feels

When the universe reels.

### COVER

It's the sultry lady—the blonde bombshell, Veronica Lake, whose down-sweep hair comb made the front pages of all the newspapers from coast-to-coast, when Paramount first introduced her. Somehow or other, she always winds up with a part in pics that causes audiences to gnash their teeth at her. But we can assure you that you'd never gnash a single tooth at her, meeting her in person.

## Everybody Reads Hit Parader

Clean reading and clean singing—always found, in HIT PARADER—meets with the whole-hearted approval of Gregory Peck, busy on the Hollywood lots in "The Keys of the Kingdom."

**To The Reader:**

OUR mind constantly runs to "Do Re Mi's" and the words to popular songs. So—the other morning, while we were humming "Give Yourself A Pat On The Back," in walks the boss declaring, "GIVE HIT PARADER A PAT ON THE BACK!"

Yes, it happened! HIT PARADER is the undisputed leading lyric magazine in the entire world today. FOR HIT PARADER IS PURCHASED BY MORE PEOPLE EACH MONTH THAN ANY OTHER SONG LYRIC MAGAZINE. These are the facts as just set forth by the AUDIT BUREAU OF CIRCULATION, based on all member publishers' sworn statements for the first six months of 1944.

Well, we must have merited all this, for haven't all of the top stars in the entertainment field been telling us IT'S SO for the past two years. Remember those letters from BING CROSBY, KATE SMITH, JIMMY DORSEY, HARRY JAMES, FRANK SINATRA and many others, praising our efforts to the sky? And those Hollywood pictures of GARY COOPER, JOAN FONTAINE, ROY ROGERS, JOAN LESLIE, CARMEN MIRANDA, GAIL RUSSELL, RITA HAYWORTH, DICK POWELL and many others who joined the million readers of HIT PARADER every month?

But is it time to rest upon our laurels?

**DEFINITELY NO!**

This, then, is the signal for a still greater HIT PARADER. Not only will our regulars, music publishing concerns like Robbins ("Milkman Keep Those Bottles Quiet"), Warners ("Time Waits For No One"), Shapiro-Bernstein ("Good-night Wherever You Are"), Morris ("I'll Walk Alone"), Burke-Van Heusen ("Swinging On A Star"), Remick ("It Had To Be You") continue to be with us, but SOMETHING NEW has been added. To our ever-growing ranks is coming the music publishing concern responsible for that outstanding Broadway musical show, "Oklahoma," and more recently, the songs "Long Ago And Far Away," "I'll Be Seeing You," etc.

Final tribute, Irving Berlin, greatest song writer has selected HIT PARADER, greatest song magazine, to introduce his greatest song "There Are No Wings On A Fox Hole."

THE EDITOR.

**WISH YOU WERE WAITING FOR ME**

Bob Russell David Saxon  
There you stand alone at the station  
Staring at ev'ry face that you see  
Gee somebody is lucky  
Wish you were waiting for me.  
Walking back and forth kinda worried  
Wondering where that someone can be  
Gee that someone is lucky  
Wish you were waiting for me.  
I see it clearly  
Your arms around me  
I thrill to your touch  
I see it clearly  
Ah me I dream too much  
If I only had you to run to  
Honest I'd never let you go free  
Gee somebody is lucky  
Wish you were waiting for me.

**DON'T BLAME ME**

Dorothy Fields Jimmy McHugh  
Don't blame me for falling in love with  
you  
I'm under your spell but how can I help  
it! Don't blame me!  
Can't you see when you do the things you  
do!  
If I can't conceal the thrill that I'm feel-  
ing don't blame me!  
I can't help it if that doggoned moon  
above  
Makes me need, someone like you to  
love!  
Blame your kiss as sweet as a kiss can be  
And blame all your charms that melt in  
my arms but don't blame me!

Janie, dear, you're so sweet,  
Janie, dear, so petite,  
Dancing around at your first big dance,  
Maybe you've found your first big  
romance,  
Steal a kiss, he may try,  
Save your kiss for senior high.  
You bring the sunshine when you are

**WHEN I GET TIME**

Johnny Burke Jimmy Van Heusen  
When I get time I'll wind the clock and  
paint the pantry, and fix that lock  
But right now I'm too busy loving you  
When I get time I'll read a book and  
write some letters and fire the cook  
But right now I'm too busy loving you  
I know I should clean the ink off the wall  
and take down the Christmas tree  
I honestly mean that I'll do it all the very  
moment I'm free  
When I get time I'll get things done say  
nineteen fifty or fifty one  
But right now I'm too busy loving you.

## THE VERY THOUGHT OF YOU

(From the Warner Bros. Picture "The Very Thought Of You")

Ray Noble

The very thought of you, and I forget to do  
The little ordinary things that ev'ryone ought to do  
I'm living in a kind of day dream,  
I'm happy as a king,  
And foolish tho' it may seem,  
To me that's ev'rything  
The mere idea of you, the longing here for you,  
You'll never know how slow the moments go 'till I'm near to you  
I see your face in ev'ry flower;  
Your eyes in stars above,  
It's just the thought of you, the very thought of you, my love.

## HOW MANY HEARTS HAVE YOU BROKEN

(WITH THOSE GREAT BIG BEAUTIFUL EYES)

Marty Symes Al Kaufman

How many hearts have you broken with those great big beautiful eyes,  
Those great big beautiful eyes  
That tell such beautiful lies  
How many times have you kissed somebody.  
Like you kissed me just then,  
I don't believe you mean it,  
But baby, kiss me again;  
Oh, how many hearts have you stranded  
On the dreamy road to romance,  
Baby, I'll take a chance, I need some lovin',  
I just can't resist you even tho' I'm wise  
To how many hearts you have broken  
With those great big beautiful eyes.

## LET ME LOVE YOU TONIGHT

Mitchell Parish Rene Touzet

Let me love you tonight,  
Let me tell how much I adore all your charms  
Tho' you leave me tomorrow,  
For this night we'll borrow a love song;  
Let me love you tonight,  
Let me thrill to the touch of your sheltering arms;  
Till the scent of the roses caresses and closes your eyes.  
Let me kiss you tonight,  
While the stars in the sky give a heavenly light,  
So when love is an ember my heart will remember your sighs;  
Live a lifetime of love in a moment, holding me tight,  
Then forget me, darling, only let me love you tonight.

## I'LL WALK ALONE

Julie Styne Sammy Cahn

I'll walk alone because to tell you the truth  
I'll be lonely  
I don't mind being lonely  
When my heart tells me you are lonely too  
I'll walk alone  
They'll ask me why and I'll tell them  
I'd rather  
There are dreams I must gather  
Dreams we fashioned the night  
You held me tight  
I'll always be near you  
Wherever you are  
Each night in every prayer  
If you call I'll hear you  
No matter how far just close your eyes  
And I'll be there  
Please walk alone  
And send your love and your kisses to guide me  
Till you're walking beside me  
I'll walk alone.

## IT HAD TO BE YOU

(Featured in the RKO-Radio Picture "Show Business")

Gus Kahn Isham Jones

It had to be you, it had to be you,  
I wandered around and finally found the somebody who  
Could make me be true, could make me be blue  
And even be glad, just to be sad, thinking of you  
Some others I've seen, might never be mean  
Might never be cross or try to be boss,  
but they wouldn't do,  
For nobody else gave me a thrill,  
With all your faults I love you still,  
It had to be you, wonderful you, had to be you.

## LET'S SING A SONG ABOUT SUSIE

Mack Gordon Will Gross

Let's sing a song about Susie,  
That pretty little witty little Susie,  
With the big brown eyes and the turned up nose and the big blue bow in her hair

Let's sing a song about Susie,  
That naughty little haughty little Susie  
With the dimpled chin and the cutest grin and the darnedest innocent stare

Oh, she's as sweet as a bun and she's second to none,  
What's more she's a bundle of joy and a barrel of fun;  
Let's sing a song about Susie,  
You gotta go for someone so divine  
But if you want to make love to Susie  
No can do musn't touch uh, uh, uh, she's mine.

## WHISPERING

(From the 20th Century-Fox Picture "Greenwich Village")

John Schoenberger Richard Coburn

Vincent Rose  
Whispering while you cuddle near me,  
Whispering so no one can hear me,  
Each little whisper seems to cheer me,  
I know it's true, there's no one dear, but you,  
You're whispering why you'll never leave me,  
Whispering why you'll never grieve me,  
Whisper and say that you believe me,  
Whispering that I love you.

## LILLI MARLENE

(Pronounced "Lilly Marlene")

Hans Leip Norbert Schultze Tommie Connor  
Under the lantern by the barrack gate,  
Darling I remember the way you used to wait;

'Twas there that you whispered tenderly,  
That you lov'd me, you'd always be,  
My Lilli of the lamplight, my own Lilli Marlene,  
Orders came for sailing somewhere over there,

All confined to barracks was more than I could bear;

I knew you were waiting in the street,  
I heard your feet, but could not meet;  
My Lilli of the lamplight, my own Lilli Marlene.

Time would come for roll call, time for us to part,  
Darling I'd caress you and press you to my heart;

And there neath that far off lantern light,  
I'd hold you tight, we'd kiss "Good-night,"

My Lilli of the lamplight, my own Lilli Marlene.

Ted Koehler Ray Heindorf M. K. Jerome  
Manhattanites can brag of lights  
And Boston has its bean,  
But on the Coast  
We proudly boast  
'Bout the Hollywood Canteen.  
Where G. I. Joes  
Forget the woes  
Of Army life routine,  
From ev'ry camp  
For miles they tramp  
To the Hollywood Canteen.  
Some famous band begins to jam  
And ev'rybody starts to whirl  
A lucky bug can cut a rug  
With his favorite "pin up" girl  
The coffee pot is always hot  
And are the doughnuts keen,

## YOU CAN ALWAYS TELL A YANK

(From the Warner Bros. Picture  
"Hollywood Canteen")

E. Y. Harburg Burton Lane  
You can always tell a Yank  
By the way they call him Hank  
By the way he talks and the way he thinks  
And the way he likes to buy you drinks.  
You can always tell a Yank  
You can always tell a Yank  
By the way he drives a tank  
To defend the flag on the big White  
House

Or to save the world for Mickey Mouse  
You can always tell a Yank  
He's the kind of guy  
Wants a Yankee Doodle deal  
Wants his apple pie  
And his Constitution  
He's the kind of a guy  
With a lot of sock appeal  
And he hates to heel a heel  
You can always tell a Yank  
By the way he eats a frank  
By the way he fights for the Bill of Rights  
And the right to love a girl in tights  
You can always tell a Yank:

### DON'T FENCE ME IN

(From the Warner Bros. Picture  
"Hollywood Canteen")

Cole Porter

Oh give me land, lots of land,  
Under starry skies above,  
Don't fence me in!  
Let me ride through the wide open  
country  
That I love,  
Don't fence me in,  
Let me be by myself in the ev'ning breeze  
And listen to the murmur of the  
cottonwood trees  
Send me off forever, but I ask you please  
Don't fence me in,  
Just turn me loose,  
Let me straddle my old saddle underneath  
the western skies  
On my cayuse let me wander over yonder  
till I see the mountains rise,  
I want to ride to the ridge where the west  
commences,  
And gaze at the moon till I lose my senses,  
I can't look at hobbles, and I can't stand  
fences,  
Don't fence me in.

Ted Koehler M. K. Jerome

Good night, sweet dreams, tomorrow's  
another day  
Till then sweet dreams, sweetheart.  
Good night, sleep tight, I'll see you along  
the way  
In dreams, sweet dreams, sweetheart.  
My angels up above  
Watch over you  
And keep you save my love  
Until the dawn breaks thru  
Good night, sweet dreams, tomorrow's  
another day,  
Good night, sweet dreams, sweetheart.

What are you doin' the rest of your life  
Have you any plans  
I thought if you hadn't anything set  
Maybe we'd get together;  
I got nobody, nobody's got me  
My heart's fancy free, so  
If you're not busy the rest of your life  
Then, I'll keep you company.

T/S Frank Hundertmark Capt. Ted Fetter  
We'll deliver the goods.  
We've got what it takes, to take it where it's needed.  
We'll deliver the goods.  
While we're on the Bahn, No call will go unheeded.  
Our supplies will make those deadlines  
Though our guys don't make the headlines.  
Chaps who shoot down Japs in zeroes  
Need the Q.M. breed of heroes.  
We'll deliver the goods  
We'll fight till we see that victory is speeded.  
We'll deliver the goods  
Until it is plain that our campaign's succeeded.  
Until we're out of the woods,  
Across the desert  
Over the mountain  
Through the jungle  
Up the river  
We'll deliver the goods  
Yes!!! We'll deliver the goods.

Col. Ben Calissi  
When stars are gone  
I wake to find you away  
When stars are gone  
I watch the breaking of day  
The sunrise never brings  
The song of birds on the wing  
That sweet awakening  
That's telling my heart "it's Spring."  
When I return  
I'll find the stars in your eyes  
And there'll be no more goodbyes  
And there'll be love  
So my sweet  
I'm awaiting the dawn  
When you'll be close to me  
When stars are gone.

We are the pride of the Quartermaster Corps.  
So give us the guns  
And we'll be the ones  
To see you "over there"—  
On the far and distant shore,  
In the Quartermaster Corps.  
From the cop on the beat  
To the man in the street  
It's a hip, hip, hooray.  
As we pass in review  
With the red, white and blue  
In that fighting Quartermaster way.  
Yes, we're the guys

There's mutiny in the nurs'ry, there's mutiny in the nurs'ry,

There's mutiny in the nurs'ry and music in the nurs'ry,  
'Cause Mother Goose is on the loose you ought to hear 'em shout.  
If you could see Miss Jennie Jones, Jennie Jones, Jennie Jones,  
If you could see Miss Jennie Jones, you'd find her swingin' lightly  
And lazy Mary won't get up, won't get up, won't get up,  
No! Lazy Mary won't get up, she stays out too late nightly.

We're working our way thru college, to get a lot of knowledge,  
That we'll probably never ever use again,  
It helps a lot to know you've got a nice diploma,  
But will it pay the mortgage on the home sweet hom-a?  
We're getting an education, to run a filling station,  
For they never take any one but college men,  
Oh! You've gotta know your Cicero, your Hannibal and Caesar,  
To turn the crank and fill the tank and say "How many please, sir?"  
And mathematics is the thing we've gotta know,  
Working our way thru college on the old man's dough, re, mi, fa, so, la, si, rah!

## SWINGING ON A STAR

(From the Paramount Picture "Going My Way")

Johnny Burke Jimmy Van Heusen

A mule is an animal with long funny ears,  
He kicks up at anything he hears,  
His back is brawny and his brain is weak,  
He's just plain stupid with a stubborn  
streak,

And by the way if you hate to go to school  
You may grow up to be a mule;  
Or would you like to swing on a star,  
Carry moonbeams home in a jar,  
And be better off than you are,  
Or, would you rather be a pig?

A pig is an animal with dirt on his face,  
His shoes are a terrible disgrace,  
He's got no manners when he eats his  
food,

He's fat and lazy and extremely rude,  
But if you don't care a feather or a fig,  
You may grow up to be a pig,  
Or would you like to swing on a star,  
Carry moonbeams home in a jar,  
And be better off than you are,  
Or would you rather be a fish?

A fish won't do anything but swim in a  
brook,

He can't write his name or read a book,  
To fool the people is his only thought,  
And though he's slippery he still gets  
caught,

But then if that sort of life is what you  
want,

You may grow up to be a fish.  
And all the monkeys aren't in the zoo,  
Ev'ry day you meet quite a few,  
So you see it's all up to you  
You can be better than you are,  
You could be swinging on a star.

Going my way?

'Round the bend you'll see a sign

"Dreamer's Highway"

Happiness is down the line

Going my way?

The smiles you'll gather will look well  
on you

Oh, I hope you're going my way too.

## HOLLYWOOD

## HEART BEAT

With Joanne Linder

Whatever else it may accomplish, one thing Warner Bros.' "Hollywood Canteen" definitely will have accomplished is introduction of a new merger of two opposed dance forms, the jitterbug and the ballet. The result of course, is the jitterballet. The ballet in jive combines the grace and majesty of the classical ballet with the uninhibited wildness and frenzy of modern rug-cutting. Together with the star, Joan McCracken (of "Oklahoma" fame) the company dances out a little plot, just as ballet is supposed to do, but the jitterbug ballet doesn't leave a rug uncut or miss a beat in the little story. In the words of Joan, "It cooks!"

"GOING MY WAY," the title song from the Paramount production of the same name, was introduced by Metropolitan Opera star Rise Stevens on her concert tour which opened in Seattle upon completion of her co-starring role with Bing Crosby in the picture. A special arrangement of the song was written by composers Johnny Burke and Jimmy Van Heusen for Miss Stevens, who recorded it with the Robert Mitchell Boychoir of St. Brendan's for the film. The tour took her throughout the Pacific northwest, and then east to New York, where she rejoined the Metropolitan.

**HEARTBEAT:** Andrews Sisters having fun, coaching trio of "Winged Victory" soldiers and also doing stint for Warner Bros.' "Hollywood Canteen" . . . Kay Francis arrived home from a West Coast hospital tour . . . Bette Davis "enjoyed" a day off she earned the hard way—falling lamp on the "Corn Is Green" set struck the star and sent her home . . . Joyce Reynolds is back on the Hollywood lots after a whirlwind tour of New York—where she was kept busy with War Loan drives . . . (From the RKO-Radio Picture "Step Lively")

Sammy Cahn Julie Styne  
I thought I knew the magic of you  
And then you kissed me  
Dear when you kissed me

I simply stood there and gazed completely  
amazed

I walked around both feet on the ground  
And then you kissed me  
Dear when you kissed me

I found myself on a cloud apart from the

crowd

I had nothing to glow about, you came  
by

Now I know, all there's to know about  
Things like stars in the sky  
I will confess, I thought for a while  
That you'd resist me but then you kissed  
me

And now I'm in love.

### ROSES ARE GROWING THERE

Charlotte Greenwood Martin Broones  
Roses are growing in London deep in  
the dust on her heart  
Beating silent elation waiting the word  
when to start

Blooming where bomb shells have bur-  
rowed

Stilling the song of the lark

Nelson with a steady stare looks on Tra-  
falgar Square

Roses are growing there  
Right in Picadilly silly Tilly kisses Billy  
Blushing rose buds go mad with delight  
There's a signal "Break the ground"  
A red head sentry looks around  
Says "Come on join the fight"

On the balcony at Buckingham Palace  
and in parks that will ever be green  
From ev'ry house top all over

To white cliffs of Dover

Roses are growing there.

### THE BIRTH OF THE BLUES

B. G. DeSylva Ray Henderson  
They heard the breeze in the trees sing-  
ing weird melodies  
And they made that the start of the blues  
And from a jail came the wail of a down-  
hearted frail,

And they played that as part of the blues  
From a whippoorwill out on a hill, they  
took a new note,

Pushed it through a horn 'til it was  
worn into a blue note!  
And then they nursed it, rehearsed it,  
and gave out the news

That the southland gave birth to the blues!

When day is done and shadows fall, I

When day is done I think of all the joys

That yearning returning to hold you in  
my arms,  
Won't go love, I know love,  
Without you night has lost its charms!

When day is done and grass is wet with  
twilight's dew,  
My lonely heart is sinking with the sun.  
Although I miss your tender kiss the  
whole day through,

I miss you most of all when day is done.

When she nestles in my arms so tenderly,

### ROBIN HOOD

Louis Prima Bob Miketta

Many long years ago a fellow named  
Robin Hood,  
He used to rob the rich most ev'ry chance  
he could  
Now you shouldn't get me wrong because  
he was so square  
With his trusty bow and arrow he could  
part your hair  
His buddy was Little John, another was  
Alan Dale  
A hundred and forty more, together they  
hit the trail,  
They would scamper through the forest  
to the Blue Boar Inn  
Mister Edam told them where they  
should begin  
He took from the rich man, gave it to  
the poor man,  
Had a fear for no man, only his chick  
whose name was Marianne  
And here is a switch-er-oo of Robin  
Hood's loyal crew,  
King Richard forgave them all and here's  
what they had to do:  
They became his Royal Rangers and were  
very good  
So that ends our little tale of Robin Hood.

Because we have it all arranged to add  
another page.

Now that we have won this fight  
All together we will write  
The Last Page Of Mein Kampf.  
We will write it, yes indeed  
So the whole wide world can read  
The Last Page Of Mein Kampf.  
The book is simply hooey  
The way it's written now,  
Those plans of Schicklegruber we've  
changed them all and how!  
So now that we have won this fight  
All together we will write  
The Last Page Of Mein Kampf.

Himmler, Goebbels, Goering too,  
All will pass out when they view  
The Last Page Of Mein Kampf.  
They'll find that it's not a joke  
And that Adolph never wrote  
The Last Page Of Mein Kampf.  
There'll be no Nazis heiling  
We'll put them in their place  
And there'll be no more raving about a  
master race,  
Oh, Adolph and his gang  
We'll bring down with a bang  
On The Last Page Of Mein Kampf.

### THERE GOES THAT SONG AGAIN

(From the Columbia Picture, "Carolina Blues")  
Jule Styne Sammy Cahn

There goes that song again,  
We used to call it our serenade,  
We fell in love when we heard it played  
Over and over and over and over again.  
I still remember when  
I sang the words and they made you mine,  
I'd steal a kiss and repeat each line  
Over and over and over and over, and  
then,  
We drifted apart,  
You walked off with my heart.  
It's funny how one listen  
Just starts me reminiscing.  
I'd soon forget that yen,  
I told myself when you said, "So long,"  
But I was wrong.  
There goes that song again.

### IT'S A CRYING SHAME

Bob Russell Sam H. Stept  
It's a crying shame  
You treated love so carelessly  
That it just became  
Another dream gone by  
Instead of holding it tightly  
As devotion demands  
You held love so lightly  
It slipped out of our hands  
And it's a crying shame  
I let you mean so much to me  
Did you light the flame  
To watch the embers die  
The plans we made were so precious  
You didn't follow them through  
You left me crying  
Crying shame on you.

### THERE! I'VE SAID IT AGAIN

Redd Evans Dave Mann  
I think I've talked too much already  
Yet the words continue to flow  
And when I place them all together  
They still seem to say I love you so  
I've said it  
What more can I say  
Believe me, there's no other way  
I love you no use to pretend  
There! I've said it again.  
I've said it  
There's nothing to hide  
It's better than burning inside  
I love you  
I will to the end  
There! I've said it again.  
I've tried to drum up a phrase that would

sum up all that I feel for you

But what good are phrases?  
The thought that amazes is you love me.  
And it's heavenly  
Forgive me for wanting you so  
But one thing I want you to know  
I've loved you since heaven knows when  
There! I've said it again.

### THE DAY AFTER FOREVER

(From the Paramount Picture "Going My Way")  
Johnny Burke Jimmy Van Heusen  
All day tomorrow I'll be whispering your

name  
And the day after forever I know I'll do  
the same  
Maytime or winter I won't let you out of  
sight  
And the day after forever we'll talk about  
tonight  
Your laughter is a melody that I'll  
remember long  
It plays upon my heart-strings it's my  
favorite song  
All through a lifetime I'll be loving you  
And then on the day after forever I'll just  
begin again.

### DON'T TAKE YOUR LOVE FROM ME

Henry Nemo  
Tear a star from out of the sky and the  
sky feels blue,  
Tear a petal from a rose and the rose  
weeps too.  
Take your heart away from mine and  
mine will surely break,  
My life is yours to make, so please keep  
the spark awake  
Would you take the wings from birds  
so that they can't fly,  
Would you take the ocean's roar and leave  
just a sigh?  
All this your heart won't let you do, this  
is what I beg of you,  
Don't take your love from me.

### WHAT'S THE GOOD OF CRYIN'

Cliff Romaine  
What's the good of cryin' if you're happy.  
What's the good of cryin' if you're glad.  
Once you said you'd never doubt me.  
Now you say you wish you never had.  
What's the good of cryin' if your new  
flame promises  
You'll never have a row.  
I don't understand how I can be to blame  
What's the good of cryin' now.

### SWEETHEART OF THE ARMED FORCES

(A SALUTE TO THE STATUE OF LIBERTY)  
Ethel Larson J. Chas. McNeil  
You're the sweetheart of the Armed  
Forces Goddess of Liberty,  
Stately and grand, with torch in hand,  
pride of Democracy,  
You're the sweetheart of the Armed  
Forces, whether on land or sea.  
Long as you're there, so proud and fair,  
our country will be free,  
You're like an angel from above,  
Guiding us home to those we love,  
There in the harbor day and night,  
You stand, what an inspiring sight,  
You're the sweetheart of the Armed  
Forces, where ever they may be,  
Their guiding start, that's what you are,  
Goddess of Liberty.

CELEBRATING 25 YEARS  
OF TOP SONG WRITING  
WITH CHARLIE TOBIAS

# It's Charlie Tobias Time

**DON'T SIT UNDER THE  
APPLE TREE**

(WITH ANYONE ELSE BUT ME)

Lew Brown, Charlie Tobias, Sam H. Stept  
Don't sit under the apple tree with  
anyone else but me  
Anyone else but me, anyone else  
but me, No! No! No!  
Don't sit under the apple tree with  
anyone else but me  
'Til I come marching home.  
Don't go walkin' down lover's lane  
with anyone else but me  
Anyone else but me, anyone else  
but me, No! No! No!  
Don't go walkin' down lover's lane  
with anyone else but me  
'Til I come marching home.  
I just got word from a guy who heard  
from the guy next door to me,  
The girl he met just loves to pet and  
it fits you to a "T"  
So, don't sit under the apple tree  
with anyone else but me  
'Til I come marching home.  
Don't start countin' the stars above  
with anyone else but me  
Anyone else but me, anyone else  
but me, No! No! No!  
Don't start singin' those songs of  
love, we'll do 'em in harmony  
When I come marching home.  
Wrap your kisses in cellophane, don't  
give 'em away for free,  
Keep 'em exclusively, salted away  
for me. Yes! Yes! Yes!  
I'm on record, I'm talkin' plain,  
you're gettin' the third degree  
When I come marching home.  
Copyright 1942, Robbins Music Corp.

**DON'T SWEETHEART ME**

Charlie Tobias, Cliff Friend

Don't sweetheart me if you don't  
mean it  
Don't talk sweet words if they're not  
true  
Don't tear my heart like it was paper  
Because my heart loves only you;  
You can't go 'round "sweethearting"  
others  
And then pretend that I am yours  
exclusively  
Love must be true, mean what you're  
saying,  
Unless you do don't sweetheart me.

**ROSE O'DAY**

(The Filla-Ga-Dusha Song)

Charlie Tobias, Al Lewis  
Johnny McCarthy loved Rosie O'Day,  
She was the prettiest thing  
And every night in his sweet Irish  
way,  
Under her window he'd sing:  
  
Rose O'Day, Rose O'Day, you're my  
filla-ga-dusha, shina-maroosha,  
balda-ralda, boom-to-de-ay,  
Rose O'Day, Rose O'Day, you're my  
filla-ga-dusha, shina-maroosha,  
balda-ralda, boom-to-de-ay!  
You're dating, you're darling you're  
lovely,  
That's what I mean when I say,  
Rose O'Day, Rose O'Day, you're my  
filla-ga-dusha, shina-maroosha,  
balda-ralda, boom-te-de, boom-  
te-de, boom-te-de, boom-to-de-  
ay!

**TRADE WINDS**

Charlie Tobias, Cliff Friend

Down where the trade winds play;  
down where you lose a day  
We found a new world where para-  
dise starts  
We traded hearts way down where  
the trade winds play  
Music was ev'rywhere, flowers were  
in her hair  
Under an awning of silvery boughs  
we traded vows the night that I  
sailed away  
Oh! Trade winds what are vows that  
lovers make?  
Oh! Trade winds are they only made  
to break?  
When it is May again I'll sail away  
again  
Though I'm returning it won't be the  
same, she traded her name  
Way down where the trade winds  
play.

**SOMEWHERE IN OLD  
WYOMING**

Charles Tobias, Peter De Rose

Somewhere in old Wyoming  
Lives a girl I love  
We used to stroll in the gloaming  
Under the stars above  
Oh how I wish I could see her  
Oh how I wish I could be  
Somewhere in old Wyoming  
With the girl who waits for me.

**WE DID IT BEFORE**

(And We Can Do It Again)

Charlie Tobias, Cliff Friend  
We did it before and we can do it  
again  
And we will do it again,  
We've got a heck of a job to do  
But you can bet that we'll see it thru.  
We did it before and we can do it  
again.  
And we will do it again.  
We're one for all and we're all for  
one,  
They'll get a lickin' before we're  
done.

Millions of voices are ringing,  
Singing as we march along.  
We did it before and we can do it  
again  
And we will do it again  
We'll knock them over and then we'll  
get the guy in back of them  
We did it before, we'll do it again.

**I WISH THAT I COULD  
HIDE INSIDE THIS LETTER**

Charlie Tobias, Nat Simon

I wish that I could hide inside this  
letter  
And seal me up and send me out to  
you  
What a surprise in store they'd bring  
me to your door  
I'd pop right out and kiss you like  
you've never been kissed before  
We'd be so happy we would cry  
together  
And then we'd love the way we used  
to do  
I wish that I could hide inside this  
letter  
And seal me up and send me out to  
you.

**TIME WAITS FOR NO ONE**

(From the Warner Bros. Picture  
"Shine On Harvest Moon")

Charlie Tobias, Cliff Friend  
Time waits for no one, it passes  
you by  
It rolls on forever like the clouds in  
the sky  
Time waits for no one, goes on  
endlessly  
It's just like a river flowing out to  
the sea  
You'll find that love is like this  
Each precious moment we miss  
Will never return again  
So don't let us throw one sweet  
moment away  
Far time waits for no one  
Let's take love while we may.

## SPANK THE PLANK

Buck Ram

Spank the plank (clap) then you say  
"Hello"

Spank the plank (clap) lay it lightly tho  
Spank the plank make it touch and go  
Hit the mit, tamp the clamp, spank the  
plank wring the wing (clap)  
Then he answers you pump the stump  
(clap)

Then it's your turn to grip the flip (clap)  
like you've meant to do

Touch the clutch, link the pink, (clap)  
spank the plank

You understand it's grand to greet your  
neighbor

Give him some skin while saying to him:  
"Latch on to me Satch, and let's go visit  
a patch"

Spank the plank lamp the friendly eye  
Spank the plank (clap) give the guy a try,  
Spank the plank (clap) then you'll both  
reply

Press the flesh grasp the clasp (clap)

## JIVE

## MILKMAN, KEEP THOSE BOTTLES QUIET

(From the M-G-M Picture "Broadway Rhythm")

Don Raye Gene De Paul

Milkman, keep those bottles quiet!  
Can't use that jive on my milk diet!  
So, milkman, keep those bottles quiet!  
Been jumpin' on the swing shift all  
night,

Turnin' out my quota all right  
Now I'm beat right down to the sod  
And I've got to dig myself some nod  
So, milkman, keep those bottles quiet!

## KELLY'S IN THE GUARDHOUSE

Buck Ram Hal Kanner

Kelly's in the guardhouse and what do  
you know?

He went in the guardhouse with every-  
one's dough

Kelly's in the guardhouse now ev'ryone  
guards the guardhouse

Everybody's tryin' to get his reprieve  
Everybody's tryin' but Kelly won't leave  
He won all their money and locked  
himself in the guardhouse

"Kelly" the sergeant hollers vainly  
"Kelly" the echo comes back plainly

Kelly's in the guardhouse and five  
hundred men

Try to get to Kelly to leave the old pen  
Ev'rybody wants him but Kelly stays in  
the guardhouse.

## IN THE MOOD

Andy Razaf Joe Garland

In the mood that's it, I've got it in the  
mood

Your ear will spot it in the mood  
Oh! what a hot hit be alive and get the  
jive,

You've got to learn how;  
Hep, hep, hep, hep like a hepper  
Pep, pep, pep, hot as a pepper  
Step, step, step, step like a stepper  
We're muggin' and huggin',  
We're in the mood now.

## ALL FOR YOU

Robert Scherman

When you raise your eyes and make  
believe,  
All the stars come out and paint a world  
in blue

There's my heart, right up your sleeve  
waiting,

All for you.

When you smile on me the world is mine,  
And the dreams I've dreamed I know  
will all come true

Ev'ry prayer becomes divine waiting  
All for you

My heart is beating to that old refrain  
When I'm alone with you  
My heart's repeating I'm in love again  
Can't we hold a rendezvous?

You're the dream, the song I sing,  
You're the stars and moon and nearly  
ev'rything.

Life would be a symphony, living,  
All for you.

An hour never passes but I think of you  
An hour never passes but I miss you, too  
Ev'ry day from dawning till the moonlight's glow

An hour never passes, a clock never chimes

## GONNA BUILD A BIG FENCE AROUND TEXAS

Cliff Friend Katherine Phillips George Olsen  
Gonna build a big fence around Texas  
around Texas around Texas

Gonna build a big fence around Texas  
So they can't steal my baby away  
She's the "lovenest" baby around Texas  
around Texas around Texas

And the fellows all know it in Texas  
That's the reason I worry each day  
She's got that Texas sunshine in her smile  
Thrills the cowboys kills the cowboys  
She's got that "Lone State" moonbeams  
in her eyes

See what I'm up against my troubles have  
just commenced

Gotta build a big fence around Texas  
around Texas around Texas  
Gonna build a big fence around Texas  
So they can't steal my baby away.

## SALT WATER COWBOY

(From the Universal Picture "Twilight on the Prairie")

Redd Evans

He's a salt water cowboy with the whole  
world for his range  
Just a salt water cowboy, and the herd he  
rides is strange;

He's a-roundin' up his country's foes,  
Wherever they may be he's a salt water  
cowboy, a United States Marine  
Get along, little Nippy, I can hear my  
singing pal

I'm takin' you to pasture in a barbed wire  
corral

He's the salt of the earth, boys, and he's  
long and lank and lean,  
He's a salt water cowboy, a United States  
Marine.

## SOMEDAY I'LL MEET YOU AGAIN

(From Warner Bros. "Passage to Marseille")

Ned Washington Max Steiner

Someday, I'll meet you again tell me  
where, tell me when?

Someday, I'll meet you again and I'm  
yours until then

Each night I'll wish on a star  
That you stay as you are;  
You have my heart but my heart wonders  
when

We'll meet again.

## MOON ON MY PILLOW

Charlie Tobias Elliot Tobias Henry Tobias

Moon on my pillow tonight  
Somewhere you'll see the one I'm  
dreaming of

Kiss him for me and give him my love  
Tell him here's a pray'r that's in my  
heart

May heaven keep him well while we're  
apart

Oh! Moon on my pillow tonight  
Watch over him till we're together  
again.

The lessons are so simple that anyone can understand them. I have learned to play by note in a litt'l more than a month. I wouldn't take a thousand dollars for my course.

\*S. E. A., Kansas City, Mo.

**Surprised Friends**

I want to say that my friends are greatly surprised at the different pieces I can already play. I am very happy to have chosen your method of learning.

\*B. F., Bronx, N. Y.

They wrote to the U. S. School of Music for the facts about this remarkable shortcut method. And the facts opened their eyes! They were amazed to find how easy it was to learn.

The result? Over 750,000 men and women have studied music at home this simple A-B-C way. Now, all over the world, enthusiastic music-lovers are enjoying the thrilling satisfaction of creating their own music. They have found the key to good times, popularity and profit.
